

Phone Script:

Hello, I am calling for _____. Is (he or she) available, please?

Hi _____, this is _____. How are you today?
I'm calling to tell you about a Jog-A-Thon at my school. I will be running laps to raise money for our school. I'm going to try my best to run between 25 and 35 laps, with 35 being the most I'm allowed to run. You can either make a pledge for every lap I run or enter a Flat Pledge amount.

_____, will you please sponsor me for my school's Jog-A-Thon?
Great! Thank you so much.

May I please get your email address so I can send you an easy pledge request email? Perfect.

At the bottom of the email just select the "Click here to sponsor me" tab and follow the easy steps to sponsor me. After the Jog-A-Thon, I'll send you another email letting you know how many laps I ran.

Thank you so much for helping my school. Have a great day!
